Spalding's Athletic Library

A. G. SPALDING

Anticipating the present tendency of the American people toward a healthful method of living and enjoyment, Spalding's Athletic Library was established in 1892 for the purpose of encouraging athletics in every form, not only by publishing the official rules and records pertaining to the various pastimes, but also by instructing, until to-day Spalding's Athletic Library is unique in its own particular field and has been conceded the greatest educational series on athletic and physical training subjects that has ever been compiled.

The publication of a distinct series of books devoted to athletic sports and pastimes and designed to occupy the premier place in America in its class was an early idea of Mr. A. G. Spalding, who was one of the first in America to publish a handbook devoted to athletic sports, Spalding's Official Base Ball Guide being the initial

number, which was followed at intervals with other handbooks on the sports prominent in the '70s.

Spalding's Athletic Library has had the advice and counsel of Mr. A. G. Spalding in all of its undertakings, and particularly in all books devoted to the national game. This applies especially to Spalding's Official Base Ball Guide and Spalding's Official Base Ball Record, both of which receive the personal attention of Mr. A. G. Spalding, owing to his early connection with the game as the leading pitcher of the champion Boston and Chicago teams of 1872-76. His interest does not stop, however, with matters pertaining to base ball; there is not a sport that Mr. Spalding does not make it his business to become familiar with, and that the Library will always maintain its premier place, with Mr. Spalding's able counsel at hand, goes without saying.

The entire series since the issue of the first number has been under the direct personal supervision of Mr. James E. Sullivan, President of the American Sports Publishing Company, and the total series of consecutive numbers reach an aggregate of considerably over three hundred, included in which are many "annuals," that really constitute the history of their particular sport in America year by year, back copies of which are even now eagerly sought for, constituting as they do the really first authentic records of events and official rules that have ever been consecutively compiled.

When Spalding's Athletic Library was founded, seventeen years ago, track and field athletics were practically unknown outside the larger colleges and a few athletic clubs in the leading cities, which gave occasional meets, when an entry list of 250 competitors was a subject of comment; golf was known only by a comparatively few persons; lawn tennis had some vogue and base ball was practically the only established field

EDITORS OF SPALDING'S ATHLETIC LIBRARY

sport, and that in a professional way; basket ball had just been invented; athletics for the schoolboy—and schoolgirl—were almost unknown, and an advocate of class contests in athletics in the schools could not get a hearing. To-day we find the greatest body of athletes in the world is the Public Schools Athletic League of Greater New York, which has had an entry list at its annual games of over two thousand, and in whose "elementary series" in base ball last year 106 schools competed for the trophy emblematic of the championship.

While Spalding's Athletic Library cannot claim that the rapid growth of athletics in this country is due to it solely, the fact cannot be denied that the books have had a great deal to do with its encouragement, by printing the official rules and instructions for playing the various games at a nominal price, within the reach of everyone, with the sole object that its series might be complete and the one place where a person could look with absolute certainty for the particular book in which he might be interested.

In selecting the editors and writers for the various books, the leading authority in his particular line has been obtained, with the result that no collection of books on athletic subjects can compare with Spalding's Athletic Library for the prominence of the various authors and their ability to present their subjects in a thorough and practical manner.

A short sketch of a few of those who have edited some of the leading numbers of Spalding's Athletic Library is given herewith:

JAMES E. SULLIVAN

President American Sports Publishing Company; entered the publishing house of Frank Leslie in 1878, and has been connected continuously with the publishing business since then and also as athletic editor of various New York papers; was a competing athlete; one of the organizers of the Amateur Athletic Union of the United States; has been actively on its board of governors since its organization until the present time, and President for two successive terms; has attended every championship meeting in America since 1879 and has officiated in some capacity in connection with American amateur championships track and field games for nearly twenty-five years; assistant American director Olympic Games, Paris, 1900; director Pan-American Exposition athletic department, 1901; chief department physical culture Louisiana Purchase Exposition, St. Louis, 1904; secretary American Committee Olympic Games, at Athens, 1906; honorary director of Athletics at Jamestown Exposition, 1907; secretary American Committee Olympic Games, at London, 1908; member of the Pastime A. C., New York; honorary member Missouri A. C., St. Louis; honorary member Olympic A. C., San Francisco; ex-president Pastime A. C., New Jersey A. C., Knickerbocker A. C.; president Metropolitan Association of the A. A. U. for fifteen years; president Outdoor Recreation League; with Dr. Luther H. Gulick organized the Public Schools Athletic League of New York, and is now chairman of its games committee and member executive committee; was a pioneer in playground work and one of the organizers of the Outdoor Recreation League of New York; appointed by President Roosevelt as special commissioner to the Olympic Games at Athens, 1906, and decorated by King George I. of the Hellenes (Greece) for his services in connection with the Olympic Games; appointed special commissioner by President Roosevelt to the Olympic Games at London, 1908; appointed by Mayor McClellan, 1908, as member of the Board of Education of Greater New York.

WALTER CAMP

For quarter of a century Mr. Walter Camp of Yale has occupied a leading position in college athletics. It is immaterial what organization is suggested for college athletics, or for the betterment of conditions, insofar as college athletics is concerned. Mr. Camp has always played an important part in its conferences, and the great interest in and high plane of college sport to-day, are undoubtedly due more to Mr. Camp than to any other individual. Mr. Camp has probably written more on college

athletics than any other writer and the leading papers and magazines of America are always anxious to secure his expert opinion on foot ball, track and field athletics, base ball and rowing. Mr. Camp has grown up with Yale athletics and is a part of Yale's remarkable athletic system. While he has been designated as the "Father of Foot Ball," it is a well known fact that during his college career Mr. Camp was regarded as one of the best players that ever represented Yale on the base ball field, so when we hear of Walter Camp as a foot ball expert we must also remember his remarkable knowledge of the game of base ball, of which he is a great admirer. Mr. Camp has edited Spalding's Official Foot Ball Guide since it was first published, and also the Spalding Athletic Library book on How to Play Foot Ball. There is certainly no man in American college life better qualified to write for Spalding's Athletic Library than Mr. Camp.

DR. LUTHER HALSEY GULICK

The leading exponent of physical training in America; one who has worked hard to impress the value of physical training in the schools; when physical training was combined with education at the St. Louis Exposition in 1904 Dr. Gulick played an important part in that congress; he received several awards for his good work and had many honors conferred upon him; he is the author of a great many books on the subject; it was Dr. Gulick, who, acting on the suggestion of James E. Sullivan,

organized the Public Schools Athletic League of Greater New York, and was its first Secretary; Dr. Gulick was also for several years Director of Physical Training in the public schools of Greater New York, resigning the position to assume the Presidency of the Playground Association of America. Dr. Gulick is an authority on all subjects pertaining to physical training and the study of the child.

JOHN B. FOSTER

Successor to the late Henry Chadwick ("Father of Base Ball") as editor of Spalding's Official Base Ball Guide; sporting editor of the New York Evening Telegram; has been in the newspaper business for many years and is recognized throughout America as a leading writer on the national game; a staunch supporter of organized base ball, his pen has always been used for the betterment of the game.

EDITORS OF SPALDING'S ATHLETIC LIBRARY

TIM MURNANE

Base Ball editor of the Boston Globe and President of the New England League of Base Ball Clubs; one of the best known base ball men of the country; known from coast to coast; is a keen follower of the game and prominent in all its councils; nearly half a century ago was one of America's foremost players; knows the game thoroughly and writes from the point of view both of player and an official.

HARRY PHILIP BURCHELL

Sporting editor of the New York Times; graduate of the University of Pennsylvania; editor of Spalding's Official Lawn Tennis Annual; is an authority on the game; follows the movements of the players minutely and understands not only tennis but all other subjects that can be classed as athletics; no one is better qualified to edit this book than Mr. Burchell.

GEORGE T. HEPBRON

Former Young Men's Christian Association director; for many years an official of the Athletic League of Young Men's Christian Associations of North America; was connected with Dr. Luther H. Gulick in Young Men's Christian Association work for over twelve years; became identified with basket ball when it was in its infancy and has followed it since, being recognized as the leading exponent of the official rules; succeeded Dr. Gulick as editor of the Official Basket Ball

Guide and also editor of the Spalding Athletic Library book on How to Play Basket Ball.

JAMES S. MITCHEL

Former champion weight thrower; holder of numerous records, and is the winner of more championships than any other individual in the history of sport; Mr. Mitchel is a close student of athletics and well qualified to write upon any topic connected with athletic sport; has been for years on the staff of the New York Sun.

EDITORS OF SPALDING'S ATHLETIC LIBRARY

MICHAEL C. MURPHY

The world's most famous athletic trainer; the champion athletes that he has developed for track and field sports, foot ball and base ball fields, would run into thousands; he became famous when at Yale University and has been particularly successful in developing what might be termed championship teams; his rare good judgment has placed him in an enviable position in the athletic world; now with the University of Pennsylvania; during his career has trained only at two colleges and one athletic club, Yale and the

University of Pennsylvania and Detroit Athletic Club; his most recent triumph was that of training the famous American team of athletes that swept the field at the Olympic Games of 1908 at London.

DR. C. WARD CRAMPTON

Succeeded Dr. Gulick as director of physical training in the schools of Greater New York; as secretary of the Public Schools Athletic League is at the head of the most remarkable organization of its kind in the world; is a practical athlete and gymnast himself, and has been for years connected with the physical training system in the schools of Greater New York, having had charge of the High School of Commerce.

DR. GEORGE J. FISHER

Has been connected with Y. M. C. A. work for many years as physical director at Cincinnati and Brooklyn, where he made such a high reputation as organizer that he was chosen to succeed Dr. Luther H. Gulick as Secretary of the Athletic League of Y. M. C. A.'s of North America, when the latter resigned to take charge of the physical training in the Public Schools of Greater New York.

DR. GEORGE ORTON

On athletics, college athletics, particularly track and field, foot ball, soccer foot ball, and training of the youth, it would be hard to find one better qualified than Dr. Orton; has had the necessary athletic experience and the ability to impart that experience intelligently to the youth of the land; for years was the American, British and Canadian champion runner.

EDITORS OF SPALDING'S ATHLETIC LIBRARY

FREDERICK R. TOOMBS

A well known authority on skating, rowing, boxing, rackets, and other athletic sports; was sporting editor of American Press Association, New York; dramatic editor; is a lawyer and has served several terms as a member of Assembly of the Legislature of the State of New York; has written several novels and historical works.

R. L. WELCH

A resident of Chicago; the popularity of indoor base ball is chiefly due to his efforts; a player himself of no mean ability; a first-class organizer; he has followed the game of indoor base ball from its inception.

DR. HENRY S. ANDERSON

Has been connected with Yale University for years and is a recognized authority on gymnastics; is admitted to be one of the leading authorities in America on gymnastic subjects; is the author of many books on physical training.

CHARLES M. DANIELS

Just the man to write an authoritative book on swimming; the fastest swimmer the world has ever known; member New York Athletic Club swimming team and an Olympic champion at Athens in 1906 and London, 1908. In his book on Swimming, Champion Daniels describes just the methods one must use to become an expert swimmer.

GUSTAVE BOJUS

Mr. Bojus is most thoroughly qualified to write intelligently on all subjects pertaining to gymnastics and athletics; in his day one of America's most famous amateur athletes; has competed successfully in gymnastics and many other sports for the New York Turn Verein; for twenty years he has been prominent in teaching gymnastics and athletics; was responsible for the famous gymnastic championship teams of Columbia University; now with the Jersey City high schools.

EDITORS OF SPALDING'S ATHLETIC LIBRARY

CHARLES JACOBUS

Admitted to be the "Father of Roque;" one of America's most expert players, winning the Olympic Championship at St. Louis in 1904; an ardent supporter of the game and follows it minutely, and much of the success of roque is due to his untiring efforts; certainly there is no one better qualified to write on this subject than Mr. Jacobus.

DR. E. B. WARMAN

Well known as a physical training expert; was probably one of the first to enter the field and is the author of many books on the subject; lectures extensively each year all over the country.

W. J. CROMIE

Now with the University of Pennsylvania; was formerly a Y. M. C. A. physical director; a keen student of all gymnastic matters; the author of many books on subjects pertaining to physical training.

G. M. MARTIN

By profession a physical director of the Young Men's Christian Association; a close student of all things gymnastic, and games for the classes in the gymnasium or clubs.

PROF. SENAC

A leader in the fencing world; has maintained a fencing school in New York for years and developed a great many champions; understands the science of fencing thoroughly and the benefits to be derived therefrom.

YALE UNIVERSITY GYMNASTIC TEAM.

History of the Association

The first Inter-Collegiate contest in gymnastics was held March 22, 1899, at the New York University gymnasium, and was an unqualified success. While there was no association at that time, this meet has been regarded as the first meet of the Inter-Collegiate Association of Amateur Gymnasts of America, which was formed in the following year. The following colleges were present at the meeting in 1899: Amherst, Brown, Columbia, Cornell, Harvard, Haverford, Lafayette, Lehigh, New York University, Princeton, Rutgers, Swarthmore, Trinity, Union, University of Virginia, Wesleyan, Yale, and University of Pennsylvania. From these participants the following entered the Association which was formed in the following year: Columbia, Harvard, Haverford, New York University, University of Pennsylvania, Princeton, Rutgers, and Yale. During the year 1910 Amherst and College of the City of New York were admitted to the Association.

1, Talbot, Asst. Mgr.; 2, Powell; 3, Clark; 4, Irwin; 5, Prescott, Mgr.; 6, Dykeman; 7, S. Feagles, Asst. Dir.; 8, W. Ward;

PRINCETON UNIVERSITY GYMNASTIC TEAM.

The Season of 1909-1910

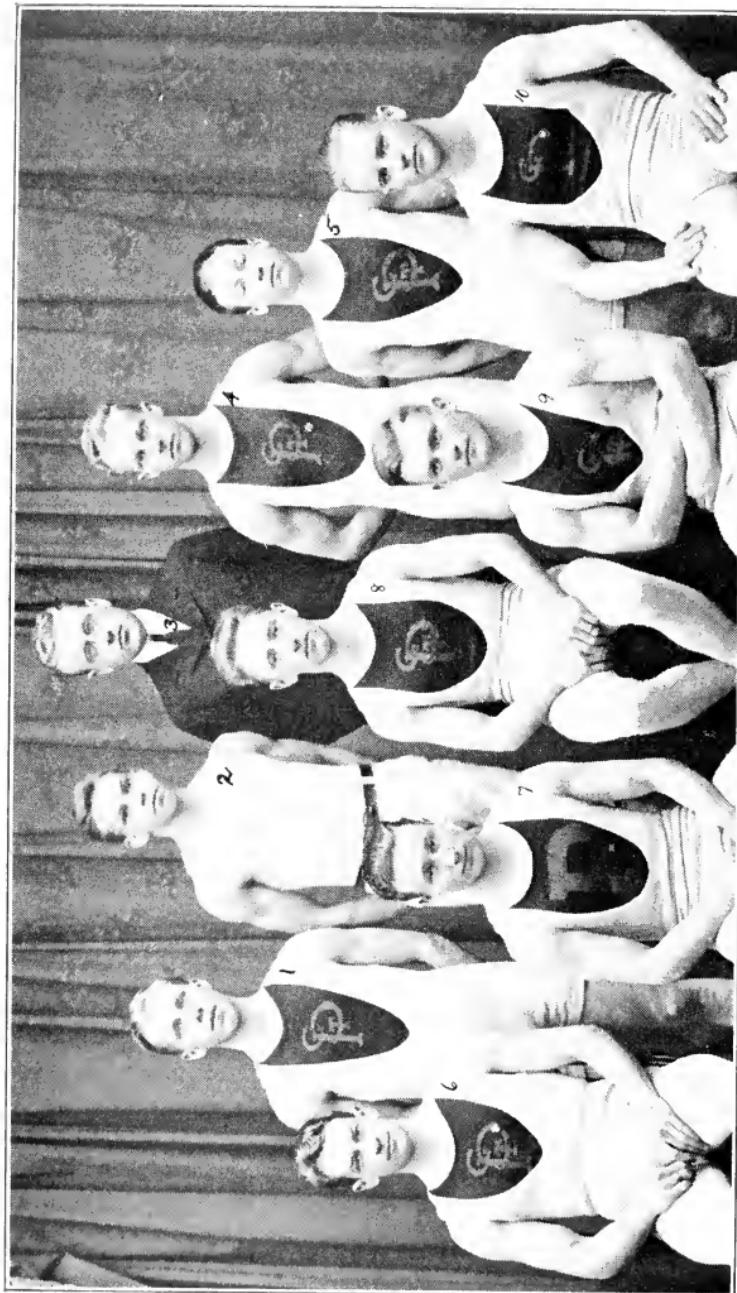

The season of 1909-10 was a most successful one in every way, the colleges carrying larger schedules and taking part in more dual meets than ever before. Undoubtedly the strongest team is that of the Navy, which won meets from Yale, Pennsylvania, New York University, Rutgers, Columbia and Princeton. The Navy, unfortunately, is not a member of the Inter-collegiate Association so did not send a team to the final meet. Yale won meets from New York University and Princeton and then by scoring in every event, except the club swinging, took first place at the Intercollegiates for the fifth time in eleven years. Princeton, on her early season showing, was not counted on as a strong factor at the Intercollegiates, but furnished a surprise by finishing a close second to Yale. Rutgers caused another surprise by taking third place with a first and second in club swinging. Pennsylvania won four out of six dual meets and came to the final meet a strong favorite for first or second place, but their team did not come up to expectations. Kelley, by winning the tumbling again this year, took fourth place for his team. He also won the All-round Championship in a close race with Melitzer of Columbia and T. Clark of Princeton, who finished in that order. Haverford and C. C. N. Y. did not send teams, while Amherst was represented for the first time since the Association was formed.

Constitution

ARTICLE I.

NAME.

This organization shall be known as the Inter-Collegiate Association of Amateur Gymnasts of America.

ARTICLE II.

OBJECT.

The object of this Association shall be the protection of mutual interests of the different colleges which comprise the Association, and the advancement and improvement of gymnastics among the colleges.

ARTICLE III.

MEMBERSHIP.

The membership of this Association shall be limited to colleges of good and regular standing.

ARTICLE IV.

STATUS.

This Association shall be an independent organization governed by its own constitution and laws of gymnastics, and any college holding meets under other rules shall be expelled herefrom.

ARTICLE V.

OFFICERS.

SECTION I. The officers of this Association shall be a President, a Vice-President, a Secretary, and a Treasurer, who shall have college or university student standing at the time of election. They shall hold office for one year, beginning May 1 of the year in which they are elected, and shall be elected by a majority vote of all the colleges represented at the annual meeting, held on the afternoon of the Inter-Collegiate contest.

SECTION 2. No candidate for office in this Association shall be eligible whose college or university course will end sooner than one year from the date of his election.

ARTICLE VI.

DUTIES OF OFFICERS.

SECTION 1. *President.* The President shall preside at all meetings of the Association and of the Executive Committee, appoint all sub-committees, audit and approve all bills, and order meetings of the Association and Executive Committee whenever, in his judgment, he may deem it necessary.

SECTION 2. *Vice-President.* It shall be the duty of the Vice-President to conduct and transact all business of this Association in the absence of the President, and to be present at all meetings.

SECTION 3. *Secretary.* The Secretary shall keep the minutes of the Association and of the Executive Committee, and shall conduct the correspondence, and shall have charge of and be responsible for all books and papers, except those of the Manager and Treasurer. It shall be his duty to attend all meetings of the Association, and to send a copy of the minutes of each meeting of the Association and the Executive Committee to the colleges as soon as practicable after each meeting.

SECTION 4. *Treasurer.* The Treasurer shall collect and have charge of all moneys belonging to this Association, and shall pay all bills when properly approved, and submit a report thereof to the Association at the regular meeting, or when called upon to do so.

SECTION 5. *Bills: How Audited and Paid.* All bills shall be presented to the President and shall be audited by him; in case of approval, he shall affix his signature and date of approval. After such approval, the Treasurer shall be authorized to pay by check.

SECTION 6. *Treasurer's Report.* The Treasurer's report shall be submitted to, and audited by, some responsible accountant, to be selected by the President before being submitted to, and accepted by, the Association at its annual convention.

ARTICLE VII.

MANAGEMENT.

The management of this Association shall be entrusted to an Executive Committee, consisting of five members, and to the four officers (the President, the Vice-President, the Secretary, and the Treasurer). The members of the Executive Committee shall be elected at the Annual Meeting, and shall hold office for one year, beginning May 1 of the year in which they are elected. They shall be undergraduates in the institutions of which they are members throughout the year in which they hold office. No college shall have more than one representative on the Executive Committee. In voting, in Executive Committee meetings, each officer and Committee member shall have one vote, except the President, who may vote in case of a tie. Where a college is represented by a Committee member and an officer of the Association, that college shall have but one vote. Vacancies in office (other than that of President), and in the membership of the Executive Committee, arising from any cause whatever, shall be filled by an eligible person appointed by the college of which said student was a member at the time of election. In case of a vacancy in the office of President, the college that the last incumbent represented shall immediately appoint a proper representative to the Executive Committee. The Secretary of the Association shall thereupon call a meeting of the Executive Committee, who shall elect from among their members a new President.

ARTICLE VIII.

OFFICIALS FOR ANNUAL CONTEST.

The Executive Committee shall choose all officials for the annual meet at least two weeks before the meet.

ARTICLE IX.

SECTION 1. *The Annual Meeting.* The regular Annual Meeting of the Association shall be convened by the Executive Committee on the afternoon of the Inter-Collegiate contest.

SECTION 2. *Delegates Voting.* At all meetings of the Association each college may be represented by no more than three dele-

gates, each of whom may take part in all discussions; but in the decision of any matter, each college shall be entitled to only one vote, said vote to be cast by an accredited delegate. No voting by proxy shall be allowed.

ARTICLE X.

AGREEMENT.

Each associate college agrees to accept the rules of this Association.

ARTICLE XI.

SPECIAL MEETINGS.

A special meeting may be called whenever the President, in his judgment, may deem it necessary; also, at the written request of five colleges belonging to this Association, provided that a notice of such meeting and of the object for which it is called be sent to every college at least fifteen days before the date assigned for such meeting.

ARTICLE XII.

ALUMNUS, EX-MEMBERS AT MEETINGS.

Any alumnus, ex-member, or undergraduate may be present at all meetings of the Association, may make motions, shall be allowed to enter into discussion, but not to vote for the college he represents.

ARTICLE XIII.

PENALTY OF VIOLATION.

Any violation of the rules of the Association shall render a college liable to suspension by the Executive Committee until the next meeting of the Association, and to suspension or expulsion by a two-thirds vote of the colleges represented at such meeting.

ARTICLE XIV.

CHANGES IN CONSTITUTION.

No addition, alteration, or amendment shall be made to this Constitution at any meeting, except by a two-thirds vote of the colleges represented. At least thirty days' notice of any such proposed change must be given to the Secretary, of which due notice shall at once be sent to the colleges belonging to this Association.

By-Laws

ARTICLE I.

PROCEDURE AT MEETINGS.

All meetings of this Association shall be governed by the parliamentary procedure prescribed in Cushing's Manual.

ARTICLE II.

ORDER OF BUSINESS.

The order of business shall be:

1. Roll call.
2. Reading, correction, and adoption of minutes.
3. Unfinished business.
4. Reports, communications, and new business.
5. Election of officers.
6. Adjournment.

ARTICLE III.

DUES.

The annual dues shall be Ten Dollars, to be paid not later than February 1 of the year in which the annual meet is to be held.

ARTICLE IV.

CHAMPIONSHIP EVENTS.

The championship events shall be:

1. Horizontal bar.
2. Side horse.
3. Club swinging.
4. Parallel bars.
5. Flying rings.
6. Tumbling.

ARTICLE V.

METHOD OF SCORING.

SECTION 1. That college shall be champion which shall score the plurality of points in the championship events.

SECTION 2. That competitor shall be champion intercollegiate gymnast who shall score the plurality of points in the following events:

- Horizontal bar.
- Side horse.
- Parallel bars.
- Flying rings.
- Tumbling.

SECTION 3. Scoring in the above events shall be as follows:

First place to count five points, second place three points, and third place one point.

ARTICLE VI.

AMATEUR DEFINED.

An amateur is a person who has never competed in an open competition, or for money, or under a false name; or with a professional for a prize; or with a professional where gate money is charged; nor has ever at any time taught, pursued, or assisted at athletic exercises for money or for any valuable consideration. But nothing in this definition shall be construed to prohibit the competition between amateurs for medals, cups, or other prizes than money, and it is hereby expressly declared that this definition is not retroactive, and that all past acts of amateurs shall be judged in accordance with the provisions of the old definition; and that the foregoing definition shall take effect on and after the first day of February, 1900.

To prevent any misunderstanding in reading the above, the Association draws the attention to the following explanations and adjudications:

An athlete has forfeited his right to compete as an amateur, and has thereby become a professional, by—

(a) Ever having competed in an open competition, *i.e.*, a competition, the entries to which are open to all, irrespective as

to whether the competitors are amateurs or professionals, and whether such competition be for a prize or not, in any athletic exercise, viz., base ball, rowing, cricket, etc.

(b) Ever having competed for money in any athletic exercise.

(c) Ever having competed under a false name in any athletic exercise.

(d) Ever having knowingly competed with a professional for a prize, or where gate money is charged, in any athletic exercise.

(e) Ever having taught or pursued as a means of livelihood any athletic exercise.

(f) Ever having directly or indirectly accepted or received remuneration for engaging in any athletic exercise.

An athlete shall hereafter forfeit his right to compete as an amateur, and shall thereby become a professional, if, at any time after the foregoing definition shall take effect, he shall—

(1) Directly or indirectly receive payment for training or coaching any other person in any athletic exercise.

(2) Directly or indirectly receive payment for services rendered in teaching any athletic exercise.

(3) Directly or indirectly receive payment for services rendered as referee, judge, umpire, scorer, manager, director, or in any other capacity at any professional exhibition or contest of any athletic exercise whatsoever.

Note.—Nothing herein shall be construed to prohibit the acceptance by any amateur of his necessary traveling expenses incurred as referee, judge, umpire, scorer, or starter, in going to and from the place of any amateur contest.

(4) Directly or indirectly run, manage, or direct, for prospective profit, any professional exhibition or contest.

An amateur shall not forfeit his right to compete as an amateur, and shall not become a professional by—

(a) Receiving compensation for services rendered as ticket-taker or ticket-seller at any contest or exhibition of amateur athletics.

(b) Receiving compensation for services personally rendered as secretary, treasurer, manager, or superintendent of any amateur athletic club.

(c) Receiving compensation as editor, correspondent, or reporter of, or contributor to, any sporting, athletic, or other paper or periodical.

(d) Running, managing, or directing, for prospective profit, any sporting, athletic, or other paper or periodical.

ARTICLE VII.

COLLEGIATE STANDING OF COMPETITOR.

No one shall represent any college or university as a competitor at an intercollegiate meeting who has not been a member of that college or university in good and regular standing from the fifteenth of the preceding October. In case a competitor's qualifications as to such regular attendance is questioned, he shall furnish to the Executive Committee a certificate signed by the dean of his department and two other members of the faculty of the college or university he claims to represent, stating that he regularly attends lectures and recitations amounting to at least ten hours a week at such college or university, and has done so since the fifteenth of October of the year prior to said meeting; and such certificate shall be conclusive.

ARTICLE VIII.

FOUR-YEAR RULE.

A student shall be allowed to compete at the intercollegiate meeting four times and no more, no matter whether he changes from one college and goes to another or not. This applies to all departments, viz.: Medical, Law, Academical, etc. It shall be understood that a student may compete two years in one department or college and then go to another department or college and compete the remaining two, but in no event shall a student compete more than four times.

ARTICLE IX.

SERVICES OF OFFICERS.

No officer of this Association shall receive any money for his services.

ARTICLE X.

APPLICATION FOR MEMBERSHIP.

Any institute of collegiate or university standing desiring admission to this Association shall send to the Secretary an application in writing for membership, said application to receive the approval of a majority of the colleges or universities represented in the Association. The Secretary shall take immediate action upon receipt of such application. Membership in this Association shall continue until definite action has been taken toward the severing of membership, it being understood that the payment of dues shall be necessary toward entering competitors in the annual meet.

ARTICLE XI.

ANNUAL CONVENTION.

The time and place for the annual convention of this Association shall be left to the decision of the Executive Committee.

ARTICLE XII.

ENTRIES AND PROTESTS.

Entries, including the class number of each man, shall be made to the President, and shall close at least three weeks before the day assigned for the annual meet. At least fifteen days before the annual meet, a printed list of all the entries shall be sent to all the colleges of the Association. Protests must be sent to the Secretary as soon as this list is received, stating the grounds upon which the protest is made. The Secretary shall at once notify the members protested and all the members of the Executive Committee; he shall also send to the members protested the grounds of protest, and if, in violation of Article VI. of the By-Laws, a certificate of qualification, which shall have printed plainly upon its face Article VI. of the By-Laws, with a space below for signatures. On receipt of this notice, the man protested shall immediately forward to the Executive Committee evidence of his eligibility to compete. The Executive Committee may then decide the case, or in their discretion, appoint

a subsequent date, at which, after due notice, both sides may appear and be heard.

ARTICLE XIII.

ALL-ROUND CANDIDATES.

Only those competitors who, at the time entered, were designated as candidates for the all-round championship, shall be considered as such.

ARTICLE XIV.

LIMIT OF ENTRIES.

No college shall enter more than five men for any one competition or start more than three. But a college may be represented in any one event by men trying for the all-round championship beside three other men, provided that any points won by the all-round men, in events in which more than three men start, be not counted for their college, but only for themselves.

ARTICLE XV.

CONTROL OF THE ANNUAL CONTEST.

Unless otherwise agreed, the Executive Committee shall assume entire control of the annual contest. It shall also decide all protests.

ARTICLE XVI.

REPORT OF RESULTS OF ANNUAL MEET.

Within one month after the intercollegiate contest, the Manager of the meet shall be required to furnish to each college participating published tables showing the Judges' scores of the work of all contestants; the expense of this to be borne by the Association.

ARTICLE XVII.

STANDARDIZATION OF APPARATUS.

The following standard dimensions and specifications are accepted by the Association:

Horizontal bar—91 inches clear above mat to top of bar; diameter, $1\frac{1}{8}$ inches; width, not less than 6 feet; bar to be made of steel.

Side horse—Height, 46 inches, from top of mat to top of pommels; pommel, 4 inches high above horse; distance from center to center of pommels, 17.5 inches.

Parallel bars—Height, 5 feet clear from top of holm to top of board, floor, or mat below; width, 18 inches, from center to center of bars; length, not less than 9 feet.

Flying rings—76 inches from top of mat to bottom of ring; width, 18 inches from center to center of rings; diameter of ring, 9 inches; ring to be covered, and movable in attachment; length of rope, not less than 14 feet.

Tumbling mats—Two inches thick, and at least 5 feet wide by 40 feet long; preferably covered by a rug.

Clubs—Minimum weight to be 1½ pounds; plain maple finish, without ornamentation.

ARTICLE XVIII.

CHANGES IN BY-LAWS.

These By-Laws may be altered, amended, or suspended at any meeting of the Association by a two-third's vote of the colleges present, provided two weeks' notice shall have been given to every college belonging to the Association.

Prizes

RULE 1.

The sum of twenty-five dollars shall be appropriated annually for the purchase of a banner to be ordered by the President of the Association and presented by him to the champion college, the color of the banner to be that of the college at which the meet is held. (*Note.*—This last because the name of the college winning is to be put upon the banner, according to the accepted design.)

RULE 2.

In every event a gold medal shall be awarded to first, a silver medal to second, and a bronze medal to third, said medals to be cast from the Association die.

RULE 3.

Cups shall be awarded to those winning first, second, and third in the all-round championship, the cost of the first prize not to exceed four dollars.

RULE 4.

All medals, flags, and cups awarded by the Intercollegiate Association of Amateur Gymnasts of America shall bear the year in which they were won.

RULE 5.

In case of a tie, the award of a prize shall be decided by the toss of a coin.

Rules

RULES GOVERNING APPARATUS.

RULE 1.

Any college wishing to take its own apparatus may do so at its own expense, providing it states and describes on application to accompany entries, and be approved by the Executive Committee, what apparatus it wishes to use, said apparatus to be at the disposal of all competitors.

RULES GOVERNING WORK OF CONTESTANTS.

RULE 1.

The competitors on each apparatus shall be allowed two combinations.

RULE 2.

Each competitor's combinations on the side-horse, flying rings, parallel bars, and horizontal bar shall be judged from the time he begins his combination till he again wholly or in part places his weight upon the mat, except in the case of the flying rings, where the competitor is allowed to touch the mat on the last swing; it being understood that any decision concerning accidental touching or brushing the mat be left to the discretion of the judges, and approach and retreat be counted as heretofore.

RULE 3.

In tumbling, a contestant's combination shall be considered as finished when he leaves the mat.

RULE 4.

The time of club swinging shall be four minutes.

RULE 5.

Except in case of accident to apparatus, no second trial shall be allowed.

RULE GOVERNING COACHING.

While an event is in progress, no competitor in that event shall receive any professional coaching whatever.

ORDER OF CONTESTANTS.

The order of contestants in the annual contest shall be drawn by lot, the contestants to perform in rotation as thus drawn.

ORDER OF EVENTS.

The following shall constitute the order of events **for the** annual contest:

1. Horizontal bar.
2. Side horse.
3. Club swinging.
4. Parallel bars.
5. Rings.
6. Tumbling.

Note.—Club swinging may be run off simultaneously with **the** other events.

Spalding Adjustable Doorway Horizontal Bar

No. A. The bar itself is made of selected hickory, having steel tubular ends into which iron sockets screw, holding rubber cushions. The socket on one end contains a left hand thread, on the other end a right hand thread. By fitting the bar in the doorway and turning it with the hands the ends are made to expand and the friction applied by the rubber against the sides of the doorway is sufficient to sustain the weight of a heavy man. This bar may be used for chinning exercises, being adjustable to any height, also for abdominal work as shown by cuts in margin of this page. Size of doorway in which bar will be used must be stated when ordering, as the adjustment is not great enough to meet all requirements in one size bar.

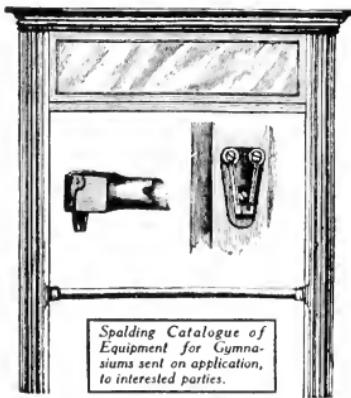

Each, \$4.00

This No. A Bar is supplied regularly to fit any doorway under 33 inches in width.
Bars to fit wider doorways. Extra, 50c.

Should not be used above 48 inches.

Home Apparatus

Exercise is a debt that every man owes to his constitution and he cannot pay it up too promptly. Heredity gave you as a gift a certain quota of health. Posterity demands that you increase that quota to as great an extent as possible. Even if you do not value health for yourself, you should have enough consideration for those who are to come after you to leave them no greater handicap in the race of life than you started with yourself. To do this it is not necessary that you become an athlete or neglect your business affairs. Good health simply necessitates that you take a moderate amount of exercise in a rational way.

Spalding Exercising Equipment for Recreation Rooms

Exercising apparatus, suitable for home use, and not altogether by the boys and girls of the household, but also by the grown-ups; as a matter of fact, the ones who usually require exercise of a rational kind much more than the younger generation, who have the time and inclination for outdoor exercise not possessed by many of their elders—that is what we will attempt to show in this section of our catalogue.

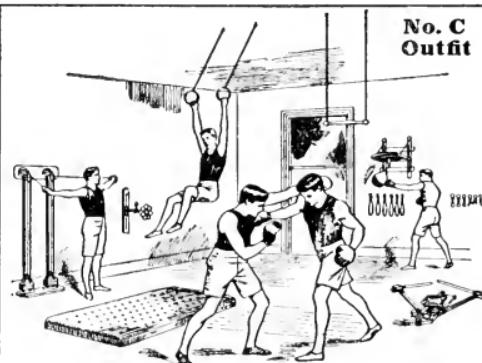

Using Spalding Home Exercising Apparatus, Chest Weights, etc., properly, and in connection with the instructions given in our various Athletic Libraries there is no reason why any man cannot practically renew his youthful vigor by regular exercise.

Many banking, mercantile and manufacturing establishments maintain athletic clubs of their employees and have installed Spalding Outfits of Gymnasium Apparatus in their club and recreation rooms for their use. The suggested combinations shown on these pages, illustrate only a few of the sets of exercising apparatus which may be made up from the goods listed in this catalogue.

Schoolyard Athletics

By J. E. SULLIVAN

President Amateur Athletic Union;
Member Board of Education Greater New York.

THE great interest in athletics that has developed in the public schools within recent years has led to the compilation of this book with a view to the systemization of the various events that form the distinctively athletic feature of school recreation. With its aid any teacher should be able to conduct a successful meet, while the directions given for becoming expert in the various lines will appeal to the pupil. Some of the leading athletes have contributed chapters on their specialties: Ray Ewry, holder of the world's high jump record, tells how to practice for that event; Harry Hillman, holder of the hurdle and three-legged records, gives hints on hurdle racing and three-legged racing; Martin Sheridan, all-around champion of America, gives directions for putting the shot; Harry F. Porter, high jump expert, describes how to become proficient in that event. The book is illustrated with photos taken especially for it in public school yards.

Durand-Steel Lockers

Wooden lockers are objectionable, because they attract vermin, absorb odors, can be easily broken into, and are dangerous on account of fire.

Lockers made from wire mesh or expanded metal afford little security, as they can be easily entered with wire cutters. Clothes placed in them become covered with dust, and the lockers themselves present a poor appearance, resembling animal cages.

Durand-Steel Lockers are made of finest grade furniture steel and are finished with gloss black, furnace-baked japan (400°), comparable to that used on hospital ware, which will never flake off nor require refinishing, as do paints and enamels.

Some of the 8,000 Durand-Steel Lockers installed in the Public Gymnasiums of Chicago. 12' x 15' x 42", Double Tiers.

Durand-Steel Lockers are usually built with doors perforated full length in panel design with side and backs solid. This prevents clothes in one locker from coming in contact with wet garment in adjoining lockers, while plenty of ventilation is secured by having the door perforated its entire length, but, if the purchase prefers, we perforate the backs also.

The cost of Durand-Steel Lockers is no more than that of first-class wooden lockers, and they last as long as the building, are sanitary, secure, and in addition, are fire-proof.

THE FOLLOWING STANDARD SIZES ARE
THOSE MOST COMMONLY USED:

DOUBLE TIER	SINGLE TIER
12 x 12 x 36 Inch	12 x 12 x 60 Inch
15 x 15 x 36 Inch	15 x 15 x 60 Inch
12 x 12 x 42 Inch	12 x 12 x 72 Inch
15 x 15 x 42 Inch	15 x 15 x 72 Inch

SPECIAL SIZES MADE TO ORDER.

We are handling lockers as a special contract business, and shipment will in every case be made direct from the factory in Chicago. If you will let us know the number of lockers, size and arrangement, we shall be glad to take up, through correspondence, the matter of prices.

Standard Policy

A Standard Quality must be inseparably linked to a Standard Policy. Without a definite and Standard Mercantile Policy, it is impossible for a manufacturer to long maintain a Standard Quality.

To market his goods through the jobber, a manufacturer must provide a profit for the jobber as well as the retail dealer. To meet these conditions of Dual Profits, the manufacturer is obliged to set a proportionately high list price on his goods to the consumer.

To enable the glib salesman, when booking his orders, to figure out attractive profits to both the jobber and retailer, these high list prices are absolutely essential; but their real purpose will have been served when the manufacturer has secured his order from the jobber, and the jobber has secured his order from the retailer.

However, these deceptive high list prices are not fair to the consumer, who does not, and, in reality, is not even expected to pay these fancy list prices.

When the season opens for the sale of such goods, with their misleading but alluring high list prices, the retailer begins to realize his responsibilities, and grapples with the situation as best he can, by offering "special discounts," which vary with local trade conditions.

Under this system of merchandising, the profits to both the manufacturer and the jobber are assured; but as there is no stability maintained in the prices to the consumer, the keen competition amongst the local dealers invariably leads to a demoralized cutting of prices by which the profits of the retailer are practically eliminated.

This demoralization always reacts on the manufacturer. The jobber insists on lower, and still lower, prices. The manufacturer in his turn, meets this demand for the lowering of prices by the only way open to him, viz.: the cheapening and degrading of the quality of his product.

The foregoing conditions became so intolerable that, ten years ago, in 1899, A. G. Spalding & Bros. determined to rectify this demoralization in the Athletic Goods Trade, and inaugurated what has since become known as "The Spalding Policy."

The "Spalding Policy" eliminates the jobber entirely, so far as Spalding Goods are concerned, and the retail dealer secures his supply of Spalding Athletic Goods direct from the manufacturer under a restricted retail price arrangement by which the retail dealer is assured a fair, legitimate and certain profit on all Spalding Athletic Goods, and the consumer is assured a Standard Quality and is protected from imposition.

The "Spalding Policy" is decidedly for the interest and protection of the users of Athletic Goods, and acts in two ways:

FIRST—The user is assured of genuine Official Standard Athletic Goods, and the same fixed prices to everybody.

SECOND—As manufacturers, we can proceed with confidence in purchasing at the proper time, the very best raw materials required in the manufacture of our various goods, well ahead of their respective seasons, and this enables us to provide the necessary quantity and absolutely maintain the Spalding Standard of Quality.

All retail dealers handling Spalding Athletic Goods are required to supply consumers at our regular printed catalogue prices—neither more nor less—the same prices that similar goods are sold for in our New York, Chicago and other stores.

All Spalding dealers, as well as users of Spalding Athletic Goods, are treated exactly alike, and no special rebates or discriminations are allowed to anyone.

Positively, nobody; not even officers, managers, salesmen or other employes of A. G. Spalding & Bros., or any of their relatives or personal friends, can buy Spalding Athletic Goods at a discount from the regular catalogue prices.

This, briefly, is the "Spalding Policy," which has already been in successful operation for the past ten years, and will be indefinitely continued.

In other words, "The Spalding Policy" is a "square deal" for everybody.

A. G. SPALDING & BROS.

Standard Quality

An article that is universally given the appellation "**Standard**" is thereby conceded to be the Criterion, to which are compared all other things of a similar nature. For instance, the Gold Dollar of the United States is the Standard unit of currency, because it must legally contain a specific proportion of pure gold, and the fact of its being Genuine is **guaranteed** by the Government Stamp thereon. As a protection to the users of this currency against counterfeiting and other tricks, considerable money is expended in maintaining a Secret Service Bureau of Experts. Under the law, citizen manufacturers must depend to a great extent upon Trade-Marks and similar devices to protect themselves against counterfeit products—without the aid of "Government Detectives" or "Public Opinion" to assist them.

Consequently the "Consumer's Protection" against misrepresentation and "inferior quality" rests entirely upon the integrity and responsibility of the "Manufacturer."

A. G. Spalding & Bros. have, by their rigorous attention to "Quality," for thirty-three years, caused their Trade-Mark to become known throughout the world as a Guarantee of Quality as dependable in their field as the U. S. Currency is in its field.

The necessity of upholding the guarantee of the Spalding Trade-Mark and maintaining the Standard Quality of their Athletic Goods, is, therefore, as obvious as is the necessity of the Government in maintaining a Standard Currency.

Thus each consumer is not only insuring himself but also protecting other consumers when he assists a Reliable Manufacturer in upholding his Trade-Mark and all that it stands for. Therefore, we urge all users of our Athletic Goods to **assist us** in maintaining the Spalding Standard of Excellence, by insisting that our Trade-Mark be plainly stamped on all athletic goods which they buy, because without this precaution our best efforts towards maintaining Standard Quality and preventing fraudulent substitution will be ineffectual.

Manufacturers of Standard Articles invariably suffer the reputation of being high-priced, and this sentiment is fostered and emphasized by makers of "inferior goods," with whom low prices are the main consideration.

A manufacturer of recognized Standard Goods, with a reputation to uphold and a guarantee to protect, must necessarily have higher prices than a manufacturer of cheap goods, whose idea of and basis for a claim for Standard Quality depends principally upon the eloquence of the salesman.

We know from experience that there is no quicksand more unstable than poverty in quality—and we avoid this quicksand by Standard Quality.
